February 27 Pray that God will create an unusual hunger in the hearts of women to experience personal brokenness (Psalm 34:18). Vulnerable and teachable hearts for all of us.

February 28 Pray that nothing within this conference would be done in the strength of our own flesh, but by the indwelling power of the Holy Spirit. Strength, courage, and Holy Spirit boldness.

March 1 Pray for spiritual protection and physical safety for the MENA team, Turkish team, sisters coming from Syria and Egypt, local leaders' coordinators, and the women attending in the days leading up to the conference.

March 2 Pray for a spirit of genuine brokenness and humility in MENA and Turkish team and the lives of those to whom we minister. Pray also for the hand and anointing of God to be upon us in these days.

March 3 As teachers spend many hours studying, praying, and preparing for the conference, pray that God would give them freedom to share what the Spirit desires. That all tasks are completed accurately and with excellence.

March 4 Pray that God's presence would be evident as women enter the conference auditorium and throughout each session.

March 5 on Thursday evening, when many women have been traveling after a long week, and may be physically weary, pray that God would give supernatural alertness and energy to these women.

March 6 Pray that all details of the conference would go smoothly (technology, translation, teaching, hotel accommodations, meals, fellowship, etc.). God's financial provision. Generous donors will open their hearts as the Lord reaches out to them.

March 7 Pray that barriers would quickly be broken down, that women would feel comfortable and at home with each other.

March 8 Pray that MENA and Turkish team would cast themselves upon God to give them a supernatural empowering of the Holy Spirit, trusting in Him alone to meet the needs of those with whom they will share.

March 10 Pray that God would be glorified and exalted during these times and that the focus would be on Him.

March 11 Pray that God would bring a tenderness, receptivity, and oneness to the hearts of the women present and they would be challenged and respond accordingly to each of the teachings!

March 12 Pray that the team will be sensitive to the promptings of the Holy Spirit, to change the direction of the conference at any time, if God would so desire.

March 13 Pray for the technical aspects of the conference to run smoothly----sound system, microphone, room temperature, etc.

March 14 Pray that God will protect from any unnecessary distractions or interruptions during the conference.

March 15 Pray for women who do not know Christ ----that God will draw them to Himself, that they will hear and believe the truth of the Gospel, that they will be convicted of their need of Christ, and that God will grant them repentance and faith unto salvation.

March 16 Pray for women who are believers---that they will fall in love with their Savior, Jesus, all over again.

March 17 Pray for the grace of humility to consume the hearts of all who participate in the conference, as the spirit of pride is put to death.

March 18 Pray that the Word of God will quicken souls and that women will respond in obedience to the truth God reveals to them personally.

March 19 Pray that lives will be set free from the bondage of sin, bitterness, rebellion, immorality, fear, anger, pride, etc.

March 20 Pray that women will experience the freedom and joy that comes through embracing God's ways. Pray that women will understand their need to be completely dependent on God and surrendered to His will.

March 21 Pray for women who need to deal with receiving and giving forgiveness for specific sins or offenses in their past.

March 22 Pray that marriages would be renewed and restored through the cleansing work of God in the lives of these women.

March 23 Pray that the Lord would receive all the glory due His name from the "heart transplants" He will perform in those whose hearts and lives are yielded to Him

March 24 Pray for those women who will go to a place of prayer during the conference. Pray that God will direct them to another woman who can minister to them from the Word, as needed.

March 25 Preparation can be quite draining for the speakers --- physically, emotionally, and spiritually. Pray for physical stamina and a clear mind for translators and teachers.

March 26 Pray that women would have opportunity to share with one another during the retreat what God is teaching them; pray that everything shared will bring glory to God.

March 27 Pray for women as they return to their homes following the conference. Many are going back into difficult situations and need the Lord's grace to sustain them.

March 28 Pray for sensitivity, wisdom, understanding, and a listening ear for their families, or close friends as the women may have dealt with some difficult issues during the conference.

March 29 Pray that God will continue the work He began in the women at the conference and that the enemy would not steal the seed that has been sown in their hearts. Pray that they would be encouraged by family and close friends to walk in obedience to specific commitments they have made during the conference.

March 30 Pray that God will provide safety as women travel from Syria, Turkey, and Egypt to Lebanon. Also, pray that the enemy will be bound and not use circumstances (weariness, sick children, schedule changes, weather, etc.) to keep these women from coming to the conference.

March 31 Pray that as women arrive at the conference, they would feel warmly welcomed. Pray that they would sense the love of Christ in other women they meet.

April 1 Pray that no one person will leave the conference without having had a fresh, personal encounter with God.

April 2 Pray for fruit that will remain to the praise and glory of God, the One who planted the seed.

¹⁷ Sanctify them in the truth; Your word is truth. ¹⁸ As You sent Me into the world, I also have sent them into the world. ¹⁹ For their sakes I sanctify Myself, that they themselves also may be sanctified in truth.
